**Academic Assessment Report -Portfolio Review**

West Virginia Code § 18-8-1 provides in part that ... “(C) Annually, the person or person providing home instruction shall obtain an academic assessment of the child for the previous school year. (E)The parent or legal guardian shall submit to the county superintendent the results of the academic assessment of the child at grade levels three (3), five (5), eight (8) and eleven (11) as applicable, by June 30<sup>th</sup> of the year in which the assessment was administered.”

The following is one way to satisfy the academic assessment requirement under that subsection.

(iii) A portfolio of samples of the child’s work is reviewed by a certified teacher who determines whether the child’s academic progress for the year is in accordance with the child’s abilities. The teacher shall provide a written narrative about the child’s progress in the areas of reading, language, mathematics, science and social studies and shall note any areas which, in the professional opinion of the reviewer, show need for improvement or remediation. If the narrative indicates that the child’s academic progress for the year is in accordance with the child’s abilities, the child is considered to have made acceptable progress.
