30 Great Educational Netflix Shows for K-5

Happy streaming!

Hannah Hudson on March 13, 2020

What are the best educational Netflix shows? We've gathered the top 30! Whether you're showcasing these to students or using them as part of a distance learning curriculum, these are the best options currently streaming.

Note to teachers: Some schools block Netflix, which requires you to use Netflix's offline feature to download preferred shows and use them during class. When it comes to the legality of streaming Netflix in the classroom, the company notes which media are available for [educational screenings](#).

Best educational Netflix shows for elementary school

The Magic School Bus

When a science concept just isn't clicking for your students ... Ms. Frizzle to the rescue! Stream episodes on the human body, gardening, weather, and more.

Octonauts

If you teach about the ocean, chances are there's an *Octonauts* episode related to your unit.

Brainchild

This science-based show answers all sorts of questions kids tend to ask.

Ask the Storybots

The only thing more curious than the bots are kids. Celebrity appearances and a music video at the end of each episode only add to the fun.

The Who Was? Show

Based on the popular book series, this live-action sketch-comedy show brings important historical figures, like King Tut, Marie Antoinette, and Pablo Picasso, to life in an entertaining and hilarious way.

Dino Hunt

Top scientists examine fossils found in Canada while looking for an elusive, new species!

If I Were an Animal

Observe different animals as they age from babies to adults.

Disney Nature: Oceans

This documentary explores the ocean depths and the creatures who live within.

White Fang

Have students compare the film version to the classic novel of the same name.

Growing Up Wild

Five baby animals in different parts of the world grow up learning to survive the wild.

Dream Big

This compelling documentary showcases some of the world's biggest engineering achievements.
