

Brooke Liptak

Brooke.Liptak@k12.wv.us

My name is Ms. Brooke Liptak, and I am the full time school counselor. My passion for school counseling began during my time as a student at California University of PA where I earned my Masters in School Counseling and Clinical Mental Health Counseling. What I love most about the elementary level is the genuine curiosity students have in their learning and the world around them, as well as the opportunity for early intervention support that can have a lifetime positive impact on a child. I am so excited to be part of the Eastwood Elementary family!

Bethany Frazee

Bethany.Frazee@k12.wv.us

My name is Ms. Bethany Frazee. I am so excited to be back at Eastwood Elementary for my second year as a school counselor! I have always had a passion for the field of education. I started off my career as an elementary teacher before becoming a school counselor. I love helping others and being an integral part of my students' lives as they grow throughout the years.

The school counseling department at Eastwood Elementary School includes developmental guidance, individual counseling, and group counseling, along with other services. School counseling provides all students in the building the opportunity to utilize a professional school counselor to help with social-emotional growth, academic needs, and career development. The professional school counselor uses creative techniques driven by theory to help students become more emotionally and socially well-rounded by practicing healthy lifestyles and implementing positive coping skills.

We are available to meet with students individually to help them with topics or issues that may be sensitive in nature. If you would like for a school counselor to meet with your child in this way, please feel free to contact us by phone or email at 304-284-8226, brooke.liptak@k12.wv.us, or bethany.frazee@k12.wv.us
