

## **12-15-20 CAMPBELL PARENT MESSAGE**

Good afternoon.

Superintendent Eddie Campbell here, with an instructional delivery update for all Mon County Schools students.

Following winter break, Mon County Schools will continue to provide remote instruction only to all students through January 20<sup>th</sup>, the last day of our first semester.

Let me repeat that message:

We'll resume remote instruction for all students January 4<sup>th</sup> and will continue through January 20<sup>th</sup>, when our first semester ends.

District administrators and our county Board of Education have made this decision in the best interests of both our students and staff.

Working with the Mon County Health Department and the State Department of Education, we'll continue to monitor COVID's impact during the coming weeks.

Please continue to mask-up, maintain social distancing and celebrate the season responsibly.

Thanks for listening.
