

**Eastwood Elementary Car Riders
Student Pick-Up Map**

Upon entering the school parking lot, stay right and proceed to the student loading area by traveling through the large parking lot to the right of the school. Enter the staff parking lot via the far right lane. Proceed, in a single lane, around the outer lanes of the staff parking lot. Do NOT enter or exit through the middle lane. Designated staff will direct you. Students will be picked up at the front of the school. All students will exit through the front doors.

The loop is OPEN!
Please use this loop during student drop-off and pick-up. This will allow us to accommodate additional cars.
